

Conjunto de datos (dataset)

```
graph TD; A[Conjunto de datos (dataset)] --> B[Entrenamiento]; A --> C[Validación];
```

A flowchart illustrating the process of splitting a dataset. At the top, a wide orange rectangle is labeled 'Conjunto de datos (dataset)'. A vertical line descends from the center of this rectangle, then splits into two horizontal lines. From the ends of these horizontal lines, two arrows point downwards to two separate orange rectangles below. The left rectangle is labeled 'Entrenamiento' and the right rectangle is labeled 'Validación'.

Entrenamiento

Validación
